Congratulations to the recently elected Town Officials: Chair Pat Kolarik, Supervisor Ron Nowak, Supervisor Rick Loppnow, Clerk Lana Ossmann, Treasurer Bernie Kozlovsky, Assessor Tom Kiley and Constable Joe Guns. Kittell (1979-2011); Treasurer Dave Van Gheem (1987-2011); Constable Marv Ashley (1987-2011); and Supervisor Kriss Schmidt (2003-2011). Their combined 88 years of service is certainly noteworthy. We wish them well in future endeavors. Also, we thank Elaine Kittell for her many years of working with the Glenmore Gazette.

**CHAIR KOLARIK COMMENTS**

Dear Residents,

I sincerely appreciate all those who have served and also those who will continue to serve Glenmore.

Your town board members, clerk, treasurer, assessor, constable, and all who are appointed to positions, bring a diverse range of talents, experience, education, and skills. I am confident that each will perform their duties to the best of their ability and for the good of Glenmore.

Your town board wants to hear from you. I appreciate all the information that has been passed to me already and the kindness that has been shown to me. We have a beautiful town full of wonderful people. Each election is a new chapter and we are excited to watch the residents of Glenmore write the pages.

**SUPERVISOR NOWAK COMMENTS**

There are some new fire signs that are facing the incorrect way. As new signs were received, the post should have been turned to attach the new sign. That way each side is visible to traffic moving in either direction.

Please double check your fire sign to be sure it can be seen from both lanes of traffic as you are on the roadway.

**SUPERVISOR LOPPNOW COMMENTS**

To the Residents of Glenmore,

I appreciate your confidence in my ability to serve as your town supervisor. I will do this to the best of my ability, but also would like to have input from you on town issues. We need to work together for the success of Glenmore. Many challenges lie ahead, but as a team, I am confident we can find solutions.

Sincerely,

Rick Lopnow

**PLEASE BE OUR 'EYES'**

As you are driving the roads this spring and notice damage done to them throughout the winter months, please notify a Town Board member regarding your observation.

We appreciate the extra help your 'eyes' offer and will do our best to rectify the situation promptly.

### **VOLUNTEERS**

We are hearing there are residents who want to get involved! We are answering this request by creating a form for you to fill out so we can record your interest. There are numerous opportunities available for service to your Town of Glenmore. All help is appreciated and some activities may even have compensation included.

We will compile a list for the future on volunteers for activities that are currently being handled by your friends and neighbors. A few of those opportunities are: Election Inspector, Plan Commission Member, Board of Appeals Member, Community Center Care (inside and outside), etc. We also look forward to your ideas of additional ways to get involved!

Please contact Clerk Ossmann for more information.

### **SUMMER/FALL EVENT**

Remember the 'party we had when we brought up the time capsule'? It was a hot August day in 2001, when residents and guests enjoyed good food, refreshments, lawn tractor pulling competition and visiting with neighbors.

Should Glenmore host a similar event? Are you interested in helping with the planning and preparation? Juicy burgers, ice cold potato salad, sizzling brats...or even a potluck! Sounds scrumptious already! Please contact Clerk Ossmann with your interest.

### **COMMUNITY CENTER SIGN**

Our Community Center sign was damaged this winter and ideas have been expressed regarding what to do. Some ideas include: repair the existing sign, upgrade, replace, make it a lighted sign that would have community announcements with changeable letters, etc. Do you have an idea? If so, please express to Clerk Ossmann **prior to May 13th**. We welcome any donations towards this sign project to beautify our Community Center grounds.

### **COMMUNITY CENTER RENTAL**

Community Center rental is still \$50. A security deposit of \$100 will be refunded upon the successful completion of your event. You must be 18 years or older and a resident of Glenmore in order to book an event. Contact Sherry Nowak at 655-3359 to find out if your special date is available.

### **RUMMAGE SALE**

The 2<sup>nd</sup> Annual Glenmore Community Rummage sale is scheduled for Saturday, August 27, 2011 from 8:00 AM to 3:00 PM. No pre-sales are allowed. It was very successful during the initial run last summer and the excitement should increase year by year!

You may sign up by calling Gloria Ostrenga (864-2273) or by sending the information to her (5706 Ridgeview Rd., De Pere, WI 54115). A mere \$5.00 will ensure your information is added to the official map.

Please forward the following as soon as possible: \$5.00 check payable to Gloria Ostrenga, your name, address, phone number and a description of ten words or less highlighting your sale items. **Deadline to contact Gloria is June 1<sup>ST</sup>**.

## **CLEANING YOUR CLOSETS?**

We are looking for gently used digital cameras and perhaps a video camera that might be donated to the town to be used for recording road issues, preserving social and historical events, documenting town meetings, etc. If you would like to donate such equipment, please contact Clerk Ossmann.

## **BEAUTIFICATION**

All residents appreciate the efforts to keep Glenmore beautiful. We see residents clipping their ditch-line all the way to the next neighbor, springtime pickup of trash along the roadways, even old tires found in ditches being picked up and taken to the recycling center. Glenmore should be proud of the residents' efforts at beautification. THANK YOU GLENMORE RESIDENTS!!!

## **FIRE DEPARTMENT REQUEST**

A controlled burn **MUST BE REPORTED** to the 911 emergency service number, **PLUS** to your local volunteer fire department **PRIOR TO THE START** of the burn.

Residents East of Hwy G must contact the **Denmark Volunteer Fire Department at 863-8466.**

Residents West of Hwy G must contact **Morrison Volunteer Fire Department Chief Bill Lasee at 864-2501.**

By calling your representatives in advance, unforeseen reports to the 911 center will not disrupt the dispatch of emergency personnel and vehicles to actual emergencies instead of the controlled burn. Thank you for your cooperation.

## **WORKING LANDS INITIATIVE (WLI) Formerly known as Farmland Preservation**

The budget repair bill currently being promulgated at the state level has put town and county efforts toward compliance at a standstill. We will keep you informed as we are updated.

## **FRIENDLY REMINDER...FOLLOWING ZONING RULES AND OBTAINING BUILDING PERMITS ARE A MUST**

It is easy to forget the simplest items when contemplating and carrying out a plan regarding your land, home, buildings, etc. But keep in mind that the easiest way to avoid delays with a proposed project is by contacting our Zoning Administrator and/or our Building Inspector as soon as you can. Discussing your plans with the proper Glenmore authority before your ideas become reality will keep the timetable on your project flowing smoothly.

There are fines associated with the failure to obtain proper permits. These are fines that Glenmore would rather not impose. Please pay attention to the rules and help us avoid potential conflicts.

## **WIND ENERGY SYSTEM RECORDING**

If you are experiencing any Wind Energy System concerns, after contacting Shirley Wind, please remember to contact Clerk Ossmann so she may record and document your concerns as well.

**[glenmorewisconsin.org](http://glenmorewisconsin.org)**

Have you visited the Glenmore website recently? If not...check out the great new look, ease of use, and extra options that have been added. Clerk Ossmann reports that it is easy to update and very user friendly.

A new feature **coming soon** is the ability to subscribe for automatic updates on selected information. All you will have to do is 'click here', provide your pertinent information, and you will receive the information either via email or text.

**DOG LICENSES AVAILABLE**

Contact Bernie Kozlovsky, Town Treasurer (863-2806) for a dog license. State statutes provide that the owner of a dog more than 5 months of age on January 1 (or within the licensing year) shall obtain an annual dog license by April 1, 2011. Dogs obtained after April 1, 2011, also require a license. When applying for the license, a certificate documenting that the dog's rabies vaccinations are current must be presented.

Fees are: \$4.00 for spayed or neutered; \$9.00 for male or female. **STRAY DOGS FOUND WITHOUT A GLENMORE DOG TAG WILL BE TAKEN TO THE HUMANE SOCIETY.** Remember, your new contact for a dog license is Bernie Kozlovsky.
